Grant writing lunch seminar

Tuesday December 6th at 11:30 - 13:00
Tidlösa, building 511-001, floor 14

This seminar aims to give guidance, tips and tricks for researchers planning to write a research applications to so-called excellent Swedish research funding agencies, including Swedish research council, FORTE, Swedish Heart Lung foundation, and the Swedish Cancer foundation. We will discuss how to set-up a strong application, including choice of topic, formulation of aim, clarity in writing, tactics, how to make your application stick out, and formal and informal evaluation criteria.

Collaborating researchers: Eva Lund, Anna Strömberg, Lena Jonasson, Stig Linder, Tino Ebbers

A lunch sandwich will be provided upon registration.

Hands-on Grant writing workshop

Monday February 4th at 13:00 - 15:00

This workshop aims to improve the draft of your grant application. The focus will be on improving readability and how to convey the message. Various aspects that are important to readability are highlighted, and discussed in small groups with the applications as a base.

Attending the grant writing lunch lunch seminar before attending this workshop is highly recommended.

Organisation: Per Nilsen and Eva Lund
